Ideal Applications

- ✓ **Blending:** Adds body, crema, and a caffeine kick to espresso blends.
- ✓ **Single-Origin Specialty:** Unique profile suitable for specialty Robusta offerings.
- ✓ **Iced Coffees:** Strong flavour profile that cuts through milk and ice perfectly.
- ✓ **Filter Coffee:** Clean enough for filter brewing methods, offering a distinct alternative.

— AGRO-TOURISM

The Coffee Lodge

Where nature meets coffee culture

Clarke Farm Coffee Lodge offers a one-of-a-kind eco-tourism experience. Built sustainably with local materials, it's a place to immerse yourself in coffee culture and the breathtaking beauty of Uganda.

EUCALYPTUS FOREST WALKS

Guided nature trails through our pristine forests.

RIVER WALK ADVENTURES

Scenic exploration along the farm's river banks.

SUSTAINABLE ECO-STAY

Constructed using locally sourced, eco-friendly materials.
